Dear Cholla District Residents,

I invite you to join me next Monday, September 19, as the City of Glendale and the Autism Society of Greater Phoenix sponsor "Be Safe: the Movie" to show teens and adults with disabilities how to interact with first responders in everyday encounters. Members of Glendale's Police and Fire Departments will be on hand to answer questions and to demonstrate safe practices. The film will be viewed at the Foothills Branch Library from 6:30-8 p.m. The event is free to the public and a RSVP is not required. Refreshments will be served.

Note about my Newsletter

City Council Expenditure Information. As you saw in my newsletter dated September 9, 2016, I included a link to financial statements for myself and every Councilmember. It was brought to my attention that a system error prevented on-line access to the expenditure information for all seven members of the City Council.

My office contacted Glendale's Website Specialist who was able to repair the webpage. Below is the link to the City Council page for these financial statements. The link can also be found in future newsletters on the right-hand column under "Quick Links," titled "Cholla District Expenditure Information."

Serve On A Glendale Board or Commission!

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council. I encourage
